Yes! Count me in!

I'd like to **partner** with the Ingrams in the **Dresden Initiative** by . . .

praying regularly. Keep me informed about needs for prayer. My contact information is below.

investing financially.

I'd like to invest in the **Dresden Initiative** by contributing regularly to the Ingram's financial support. As the Lord enables, I will commit to giving ...

\$ _____

monthly quarterly annually

I'd like to make a special gift of \$ _____ to help cover the cost of ① moving the Ingram's household goods from Kaiserslautern to Dresden, or ② Anne's two-month-long advanced German course upon returning to Germany.

I'd like information on giving by electronic funds transfer (EFT is the most cost-efficient method of donating).

* **Important:** If you've already been investing financially in the Ingram's ministry, but need to change the amount you've been giving, please let them or TEAM know as soon as possible so that they can plan accordingly. TEAM will not clear them for departure until their support is pledged. Thanks! All donations are tax-deductible.
